Refillable Ice Bags With Ties

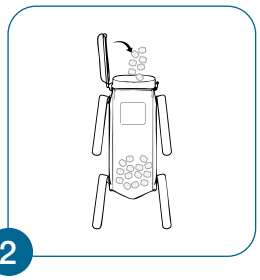

Application in four easy steps

1

Open the Bag

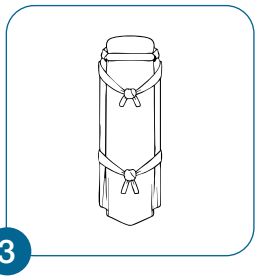

Lift the lid fully to access the bag opening before placing ice inside.

2

Fill with Ice

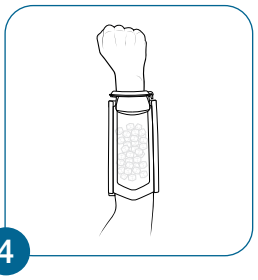

Add ice carefully until it reaches the red dotted fill line, close the lid carefully.

3

Secure the Straps

Tie the straps behind your arm to secure the bag.

4

Apply Cold Therapy

Position the bag over the affected area and fasten securely.

Single-Patient Use:
Refillable for continued use by the same patient. Applies to Medzah Refillable Ice Bags with Ties, Item Number: SAM-5001.

Contents:
Transparent refillable ice bag with built-in ties. Ice not included. Not made with natural rubber latex.

Caution:
Do not overfill the bag. Do not use if torn, punctured, leaking, or damaged. For external use only. Avoid direct contact with skin for prolonged periods. Monitor the skin for discomfort or adverse reactions during use. Discontinue use if any adverse reaction occurs.

Storage and Handling:
Empty and clean the bag after use. Allow the bag to dry completely before storage. Store at room temperature in a clean, dry location. Keep away from sharp objects and extreme temperature conditions.

Important Use Information:
Inspect the ice bag, closure, and built-in ties before use. Do not use if torn, punctured, leaking, or damaged. Fill with ice to the recommended level, secure the closure firmly, and position comfortably over the affected area. Follow a healthcare professional's directions.
